

QUALITY POLICY

We at **HM United Contracting Co.** are committed to provide performance of **building works, electrical and mechanical works, construction of plants related services and activities** in the State of Qatar and GCC that meets or exceeds interested parties' expectations and requirements through cost-competitive quality products and services that are completed on time.

Achievement of our objectives and continual improvement system are the fundamental elements necessary to secure and maintain total satisfaction and patronage of our customers.

In all our activities, we shall adopt a process approach and risk-based thinking in implementing and improving our Quality Management System in order to enhance our overall performance and assure sustainable success.

Safe systems of work shall be developed and implemented to protect persons, equipment, property and environment from being exposed to hazards and potential risks in the course of operation being carried out.

This Quality Policy binds all HM United Contracting Co personnel to create unity and common direction in achieving our goals. It shall be available to interested parties, as appropriate, and shall be reviewed for continuing suitability.
